

## Einstufungsverfahren und Selbstevaluation für Englisch

Für DGS ist ein Einstufungsverfahren nicht nötig, denn alle Kurse dort sind für absolute Anfänger\_innen (A1). Für DGS brauchen Sie lediglich ein Motivations Schreiben bzw. Begründungsschreiben.

Für Englisch suchen wir gemeinsam ein angemessenes Niveau. Dafür bitte ich Sie, mir bis zum **15.12.** Ihre Selbsteinstufung zukommen zu lassen, gern per Email an **ian.kaplow@khsb-berlin.de**. Die Einstufung wird vermutlich zwischen 10 und 30 Minuten in Anspruch nehmen.

Für die Einstufung, schreiben Sie mir bitte eine Nachricht **AUF ENGLISCH** mit den folgenden 3 Aufgaben. *Bitte schreiben Sie mir nicht auf Deutsch.* Once you become my student, we will never speak German together again :)

Thing 1: Please write me a message introducing yourself (for example: "Hello Ian, my name is Maja, my matriculation number is #888 444, I will be starting your English courses next semester..."). Tell me briefly what you think your CEFR-Niveau in English is. PLEASE do not use any translation device! PLEASE do not send me an attachment, just please write (or copy and paste) your text in an email. THANK YOU! Please use those links on wikipedia I mentioned in the presentation and are including again here:

Thing 2: Please tell me in 100 words or less: Why am I studying something in the Social Professions?

Thing 3: Please read this newspaper article from the bbc about "Baby Boxes in Berlin":  
(<https://www.bbc.com/news/magazine-18585020>) .

You DON'T have to understand everything. *This is NOT a test.* It's just a chance to show me how you communicate. Don't take too much time with this. *Please answer this question:* What do you think of Baby Boxes - are they a good idea or dangerous?

Please write me a message in English with all three of these things. You can send this to me by email (or put it in my box) by the 15<sup>th</sup> of December. Please do NOT simply send me an attachment digitally – that will just end up in my spam folder. Write me a real email with text in it, if you want to write that separately in a different program, that's fine, just copy and paste it into the email as text. Again, please DO NOT send me an attachment! And remember please: this is NOT A TEST, so just write what you think and feel and do NOT use a translation device! Thanks!

I will use what you give me to put you into the right course. Feel free to ask me any questions you have. Please try to do that in English.

THANK YOU!
